

Tree penalty vs path length, average linkage

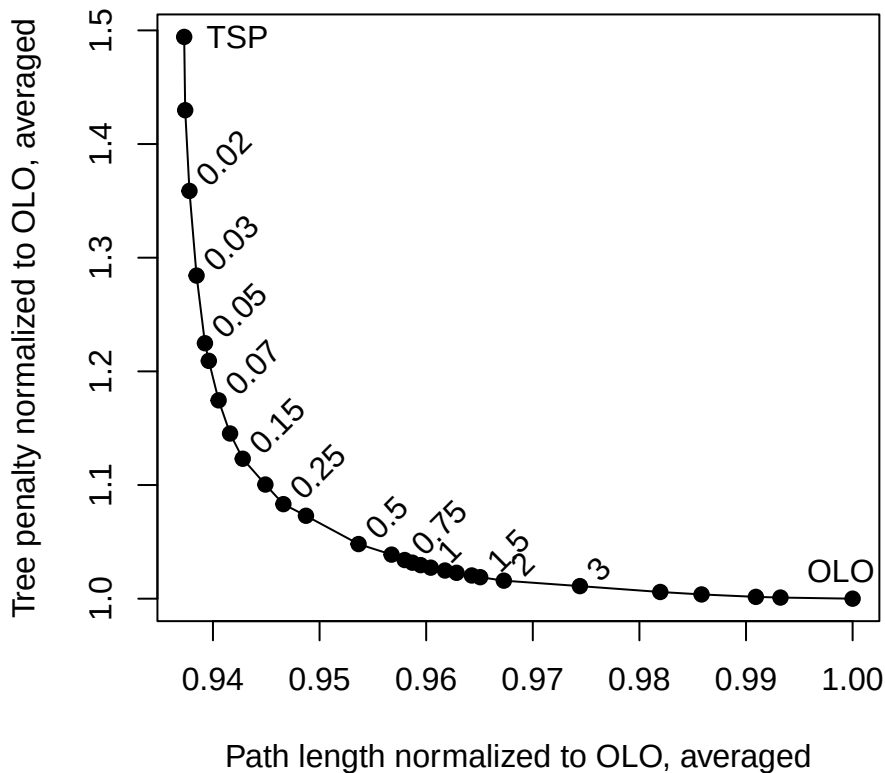

Tree penalty vs path length, complete linkage

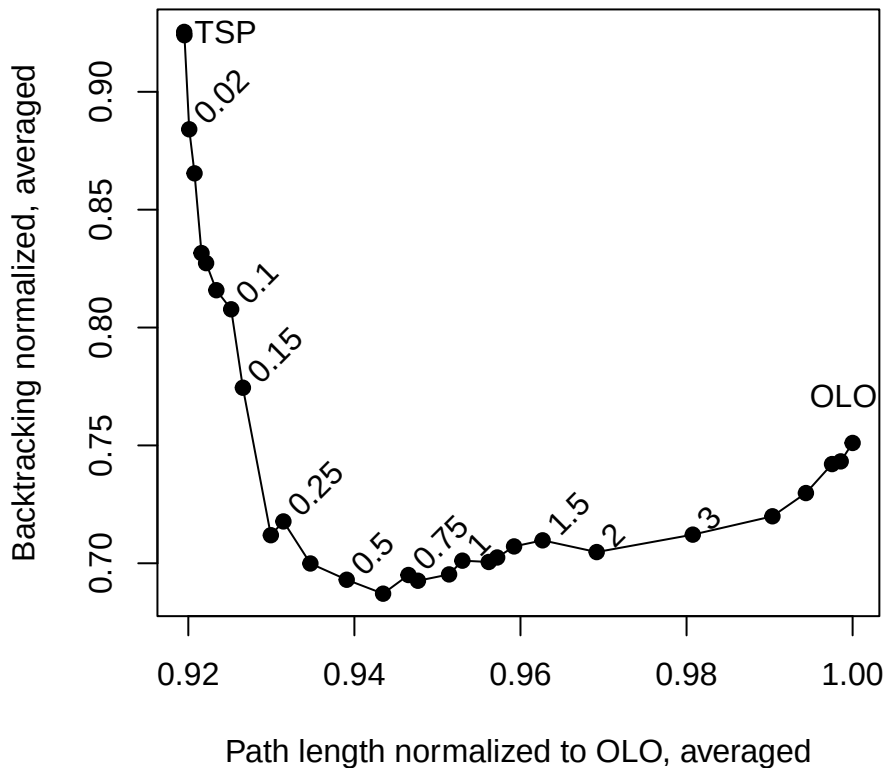

Tree penalty vs path length, single linkage

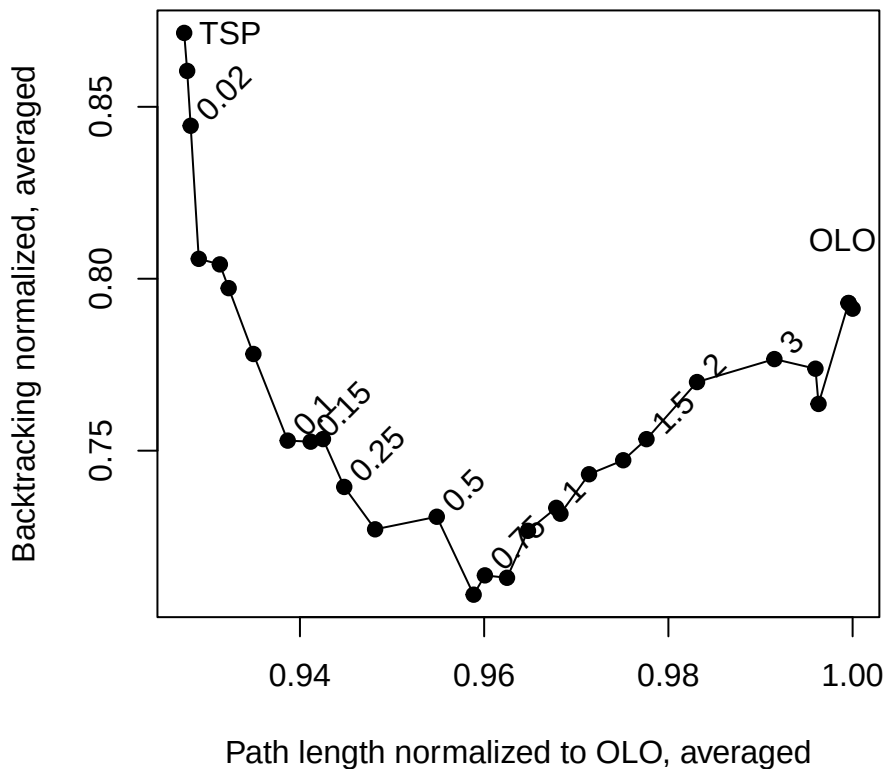

Tree penalty vs path length, ward linkage

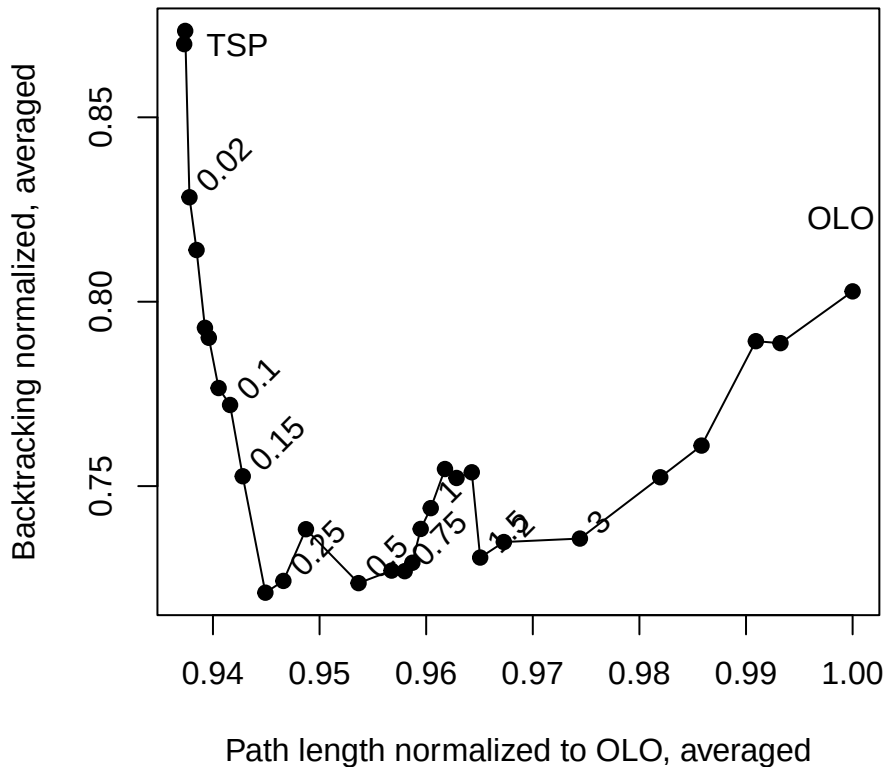

Backtracking vs PL, average linkage

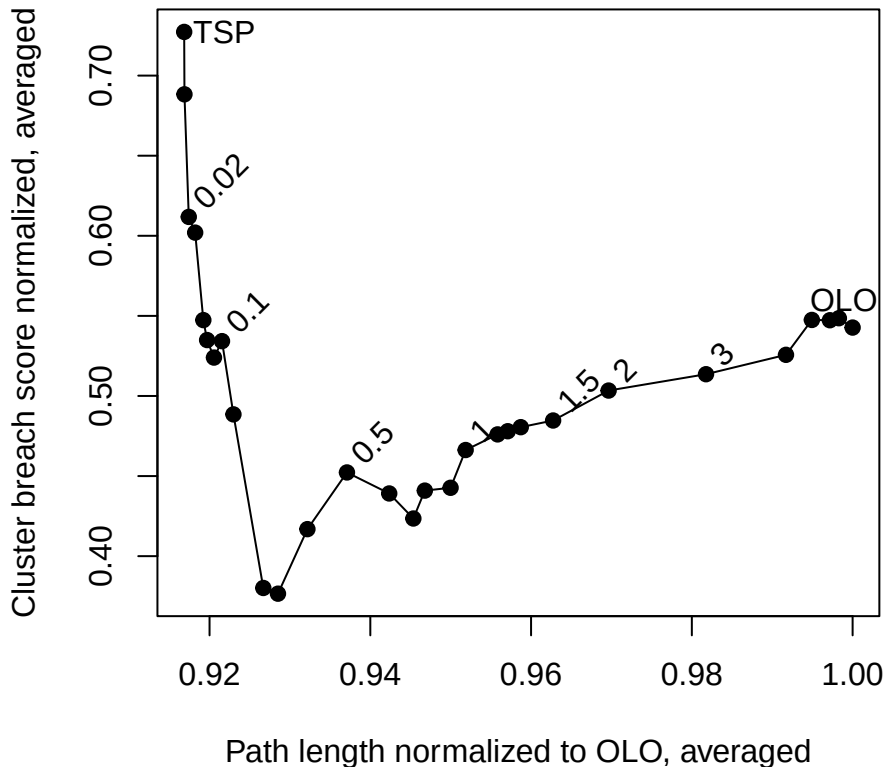

Backtracking vs PL, complete linkage

Backtracking vs PL, ward linkage

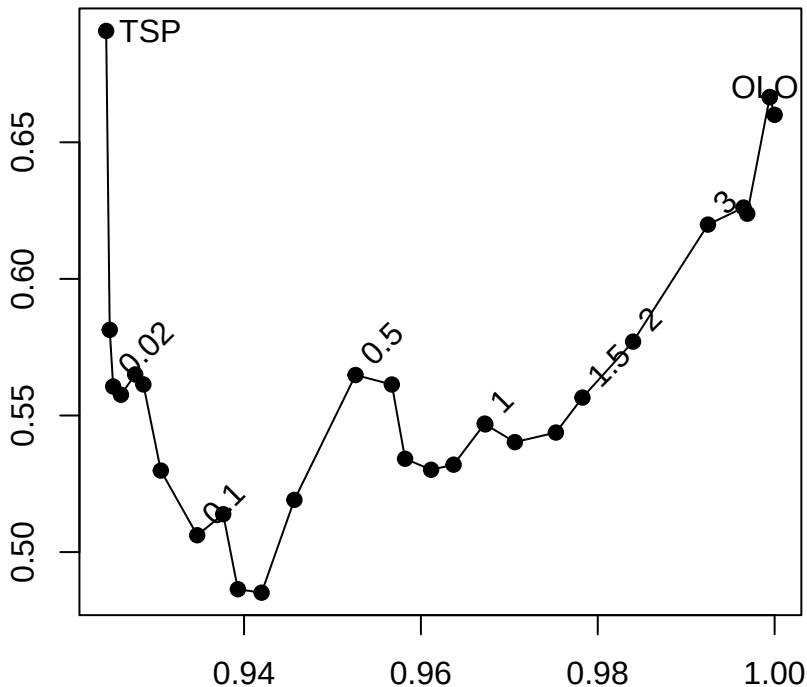

Cluster breach score vs PL, average linkage

Cluster breach score vs PL, complete linkage

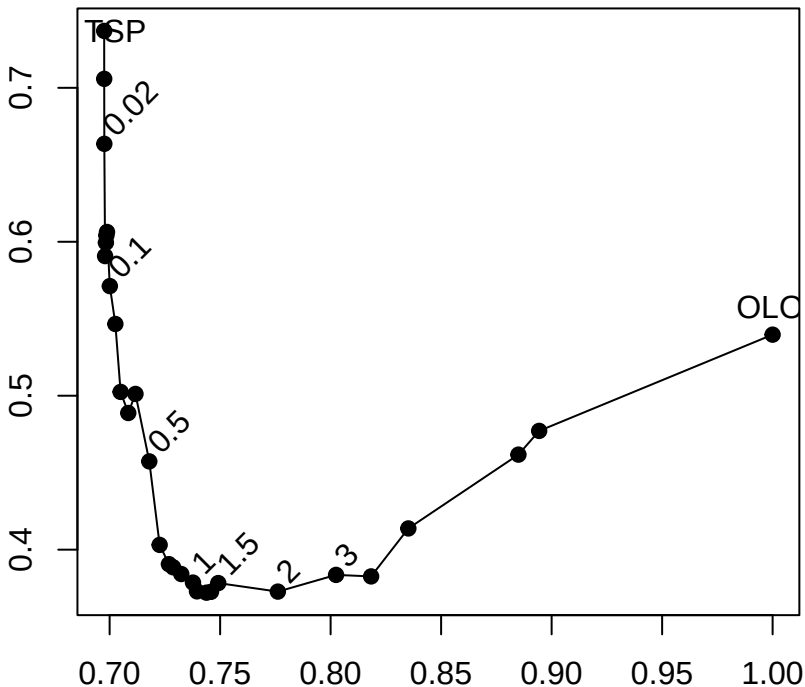

Cluster breach score normalized, averaged

Path length normalized to OLO, averaged

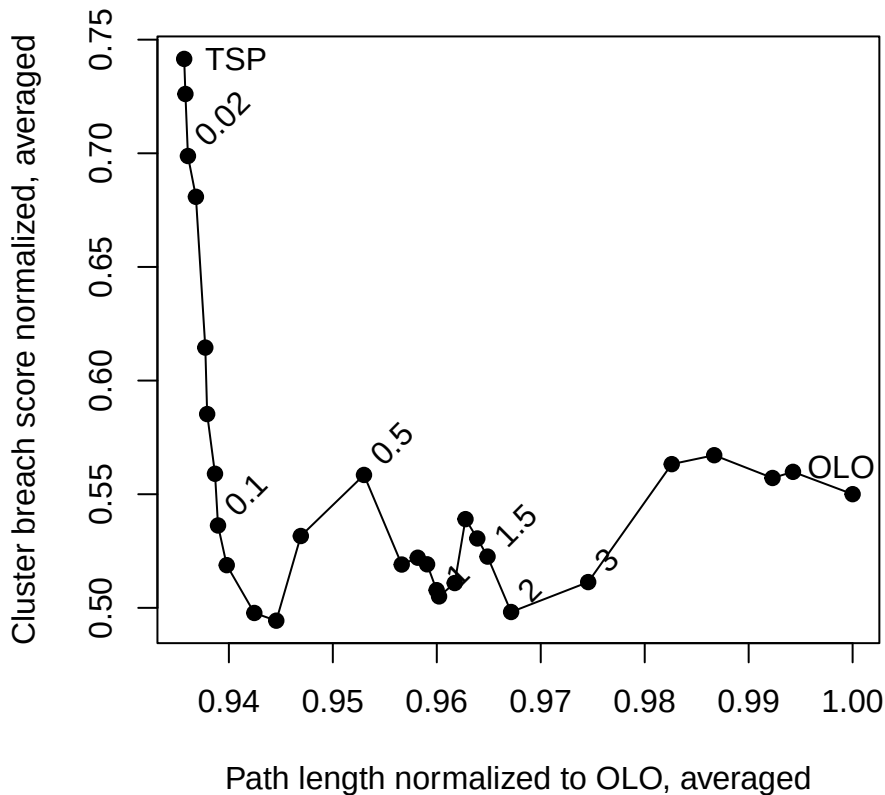

Cluster breach score vs PL, single linkage

Cluster breach score normalized, averaged

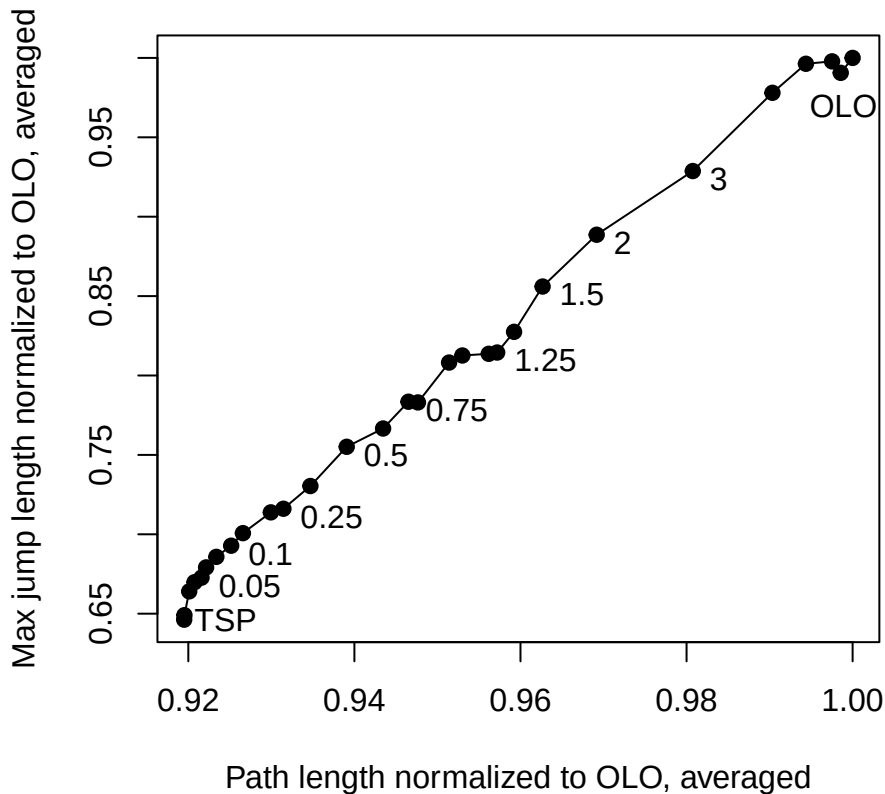

Path length normalized to OLO, averaged

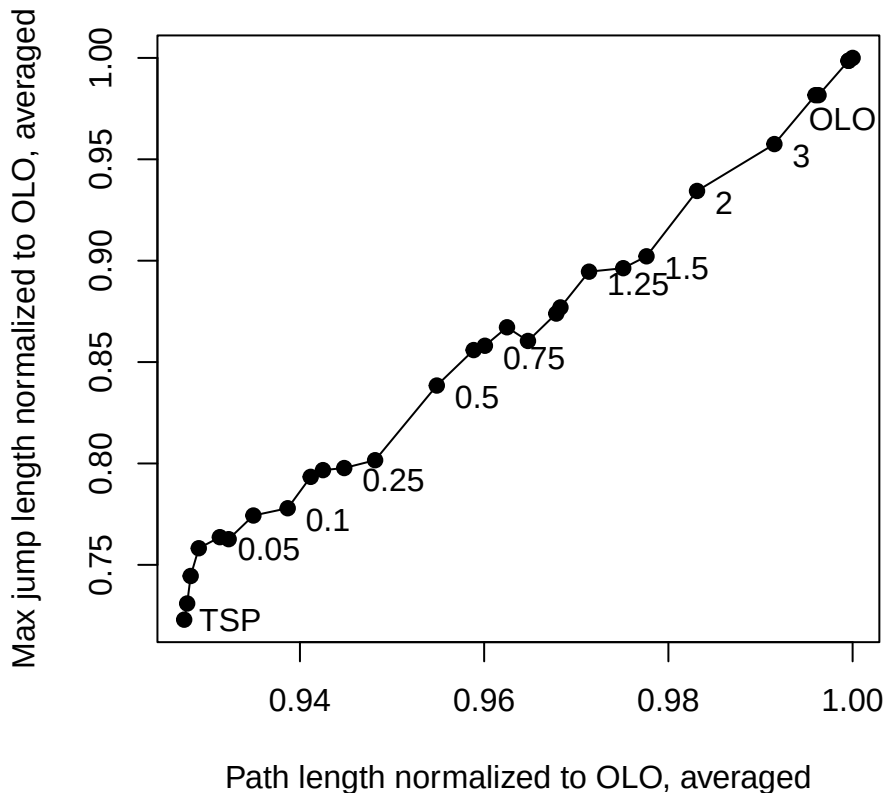

Cluster breach score vs PL, ward linkage

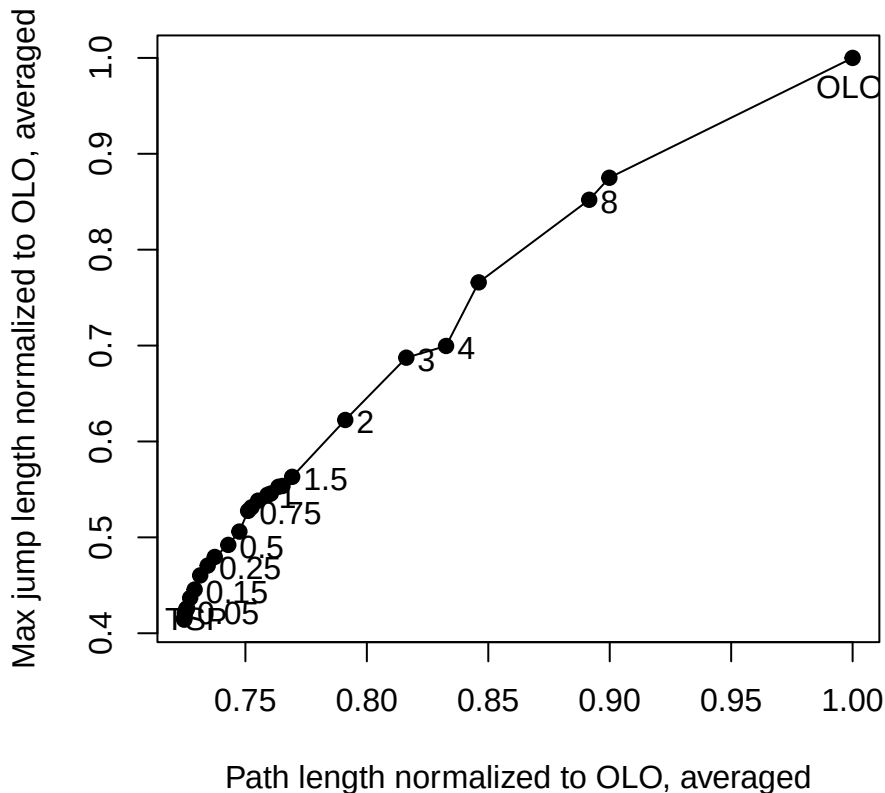

Max jump length vs PL, average linkage

Max jump length vs PL, complete linkage

Max jump length vs PL, single linkage

Max jump length vs PL, ward linkage
